Why Tender at Cardigan Show?

Cardigan County Agricultural Show is a long established Show. 1854 was the year when Cardigan Agricultural Society was formed when a group of businessmen and gentlemen farmers from the Cardigan area met to discuss the setting up of an exhibition, therefore forming the Cardigan County Agricultural Society. The first Show was held on 3rd August 1854 at The Priory, Cardigan.

The annual Cardigan County Agricultural Show is located at the wonderful location of Briscwm Fields overlooking the Cardigan Estuary and the island attracting visitors and exhibitors from all parts of the Country, with trade stands circulating around the showfield and a variety of exhibitors in the equine and livestock entries. The show has many attractions running throughout the day to include, Poultry, Dog Show, Dog Agility, sheep shearing to name but a few. Other sections include Rural Crafts, Floral Art and Horticulture and Food Hall.

The evening Dance is run in conjunction and support of the three local YFC's .

Invitation to Tender

Cardigan County Agricultural Show Committee wish to invite you to Tender for the supply of Fast Food on Show Day. Fast Food Catering includes different types of food such as hamburgers, hot dogs, fish & chips, baked potatoes, doughnuts, ice cream and sweets. Please ensure you state clearly what type of food you are tendering for and give examples of prices you will be charging. We do not overload the show ground and will be looking for discerning prices charged to the public as well as a good variety of food. There will be no more than a total of eight units on the show ground with one extra unit in the adjoining Showjumping field.

The Food Hall is now a permanent part of the show with locally produced food being on sale for consumption off site. We will therefore, once again, not be granting Sole Rights for the external catering and would ask you to tender on a per unit basis. We have a Food Court area which is proving successful and that is where all the successful applicants will be placed, with only one appointed unit being placed on the bottom corner near the Livestock exhibitors.

The emphasis more than ever will be on local/Welsh foods. Examples of the types of food being used together with evidence of meat content (if bought from wholesaler) and/or source of where the food was produced would be appreciated.
