### Why Exhibit at Cardigan Show?

Cardigan County Show is a long established Show. 1854 was the year when Cardigan Agricultural Society was formed when a group of businessmen and gentlemen farmers from the Cardigan area met to discuss the setting up of an exhibition, therefore forming the Cardigan Agricultural Society. The first Show was held on 3<sup>rd</sup> August 1854 at The Priory, Cardigan.

The annual Cardigan County Show is located at the wonderful location of Briscwm Fields overlooking Cardigan Estuary and the island attracting visitors and exhibitors from all parts of the Country, with over 100 trade stands and well in excess of 1,000 horse and livestock entries. The show has many attractions including Main Ring Attractions and Displays, Dog Show, Dog Agility demonstrations. Other sections include Rural Crafts, Floral Art and Horticulture and Food Hall.

Many of our tradestands attend year on year, with enquiries for bookings being received earlier and earlier each year with businesses wanting to secure their attendance at the Show.
